

Power Line Contractors

Sloan Mason is pleased to announce access to a program with an A XV admitted carrier, which provides WC/GL/Auto/UMB for power line contractors.

These contractors can perform work on high voltage lines, in utility plants, as well as in commercial and industrial areas.

Minimum Premium:

- \$25,000 for WC/GL/Auto combined
- \$7,500 for UMB

The following details are required for full underwriting review and best quote:

- 5 year payroll history
- 5 year currently valued carrier issued loss runs (valuation date within 120 days of requested eff date)
- ACORD WC/GL/Auto/UMB applications
- Copy of current NCCI or WCIRB Experience Rating Worksheet
- Contractors supplemental – generic supplementals accepted

Sloan Mason is a licensed wholesale insurance broker in most states.

Sloan Mason is an associate member of the Power & Communication Contractors Association (PCCA).

The team at Sloan Mason has excellent relationships with its underwriters at these insurance companies, which enables them to obtain pricing and coverage flexibility, and respond quickly to their clients' needs.

Special underwriting consideration is given to fellow members of the Power & Communication Contractors Association (PCCA).
