

Environmental Remediation/Abatement Contractors & Consultants

Sloan Mason is pleased to announce access to a program with an A+ XII carrier, which provides GL/Pollution/Auto/UMB for Environmental Remediation/Abatement contractors and consultants.

These companies are involved in performing services at jobsites owned by others, including services such as:

- Remediation or abatement of pollutants
- Removal, excavation, containment, treatment or neutralization of pollutants
- Installation, removal or cleaning of above ground or underground tanks
- Installation or maintenance of testing, monitoring or similar equipment
- Construction or operation of landfills, recycling facilities, or other waste facilities

Minimum Premiums:

- \$20,000 for GL and Pollution
- \$10,000 for Auto
- \$10,000 for Umbrella Liability

Coverage available in all states except Massachusetts.

The following details are required for full underwriting review and best quote:

1. 5 year payroll history
2. 5 year currently valued carrier issued loss runs (valuation date within 90 days of requested eff date)
3. ACORD applications and Pollution Supplemental

Sloan Mason is a licensed wholesale insurance broker in most states.

We have excellent relationships with our underwriters, enabling us to obtain pricing and coverage flexibility, and quick response.
